2 Bedroom Villa

Already boasting the most sought after address in Main Beach, Sheraton Grand Mirage Resort Gold Coast is delighted to introduce the newly-transformed 5 Star Sheraton Grand Mirage Villas.

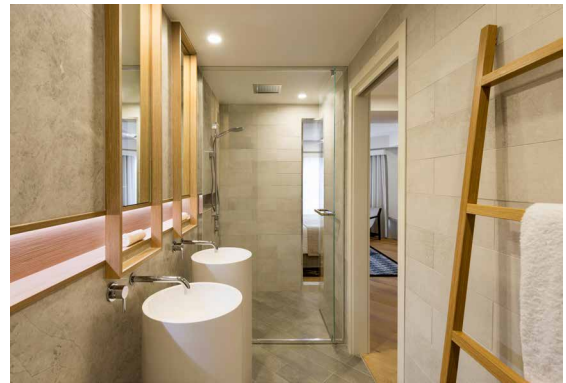

Developed by award-winning architects, DBI Design, the new look villas amplify the spectacular surrounding views and are finished with luxurious furnishings and fittings. Filled with natural light via the floor-to-ceiling windows, every aspect of the Sheraton Grand Mirage Villas has been carefully designed to embody sophisticated, beach side living and immerse guests in the resort's breathtaking environment.

Reconfigured to provide an open plan environment which engages contemporary living, the new kitchen design connects with the dining area and the living space to achieve a luxurious spatial quality. Ideal for relaxation and entertaining, each space in the villa has been enhanced through carefully considered design and detail to reinvigorate and establish a sumptuous interior with a distinct character.
